

FOR IMMEDIATE RELEASE

AXIA Ventures Group receives Global Finance's 2018 Cyprus country award in the "World's Best Investment Banks" category

Nicosia, Cyprus, September 27th 2018 – AXIA Ventures Group ("AXIA" or "Company"), a leading regional investment banking group with a strong presence and franchise in Cyprus, was included in the "World's Best Investment Banks" list of Global Finance as the winner of the 2018 Cyprus country award.

AXIA provides advice on the full range of strategic transactions and its approach is always tailor-made to the requirements of specific situations. The Company's long-standing presence in Cyprus, coupled with its regional footprint and unparalleled reach to capital providers, enables it to provide unmatched service to its global investors, as well as local clients.

Global Finance reports on the international finance sector, covering such topics as corporate finance, joint ventures and M&A, country profiles, capital markets, investor relations, currencies, banking, risk management, custody, direct investment, and money management. Each year, the magazine publishes a list with the "World's Best Investment Banks" by country. As per Global Finance's quote: "The winners are not always the biggest banks but rather the best — those with the qualities that corporations should look for when choosing a bank. These are banks with effective risk management systems, quality service and best practices in corporate governance."

Mr. Omiros Pissarides, AXIA's COO & Group General Manager, stated: *"We are very pleased to see Cyprus attracting interest by global investors over the past few years, aiding its economic recovery. We are even more pleased to have been at the forefront of this with our banking franchise, so naturally we are honored to receive this recognition by Global Finance. Our vision remains the same ever since 2008 when the Company was founded, to keep on growing and to add genuine value to all the transactions we are involved in."*
